| talk of previous genital burning (not shown) | very brief talk of toilet paper in holes (not shown)

“Are you sure it’s already numb enough for this, Master?”

“Well, I hope so.”

“I do think we’ve burned your clit enough times already, don’t you think?”

“Uhm... I guess?”

“We can always get the hair straightener hot and do it again, can’t we?”

“I wouldn’t complain~”

“I would!”

“I really don’t want to have to take you to the hospital again after last time...”

“C’mon, it was only once!”

“I won’t let it get infected again, I’m not that stupid...”

“Whatever you say, we’re not doing that today regardless.”

“Anyway, can you still feel anything?”

“I can feel you press down, I guess”

“...and does that feel good?”

“Yes but...”

“It feels good because it’s so numb, I think...”

“It’s more like I’m getting horny about the fact that I can’t feel much than from the physical sensation. Does that make sense?”

“So, that means physically...”

“Very little, barely anything.”

“Do you think you can feel enough for you to still be able to cum?”

“Hmm, I don't think so but...”

“I mean, it was always a bit hard for me...”

“I guess can't be sure, I think.”

“Then, as I said earlier today, we need to find out!”

“Are you sure this is a good idea?”

“Looking at it now, it’s weird how it doesn’t even look that scarred”

“You wouldn’t be able to tell I held it between the pieces of a scorching hot hair straightener so many times”

“What if I do end up cumming??”

“I don’t want to lose my streak, it’s been almost 3 years!!”

“Awwn, how cute!”

“You’re this wet already~”

“Hey, are you even listening??”
